## We're Going Digital

With our busy schedules, making it to a volunteer training can be difficult at times. To make things easier on you and your peers to join us in making a difference, the Club is thinking differently about how we deliver our volunteer trainings; **we are making our volunteer training digital!** We are excited to offer volunteers this new opportunity, and we thank Cox Communications and WAFB's Lauren Westbrook for making this innovative dream a reality!

## 1 Mentor + 1 Member = 1 Great Future

After-school programming starts this month! In addition to traditional volunteer opportunities at our club sites, we are thrilled to announce that **70 mentor volunteers will be joining us in our 1:1 Mentoring and eMentoring programs.** We still have a few spots left; if you want to make a difference in the life of a Club kid one to two times per month, sign up at [www.brclubs.org](http://www.brclubs.org).

## New Sites Added for 2018-2019 School Year

For the 2018-2019 school year, **two new schools—IDEA Bridge and IDEA Innovation—will be added to our Club roster,** bringing the total number of sites to eight. Serving over 500 children in our community through after-school programming, these great partnerships will undoubtedly serve even more children who need us most.
