

BOYS & GIRLS CLUB

YVC PROJECT REQUEST FORM

Youth Volunteer Corps promotes a lifetime service ethic in young people, while encouraging a broader sense of responsibility to society. It serves the needs of the Greater Baton Rouge community by effectively engaging teens in service projects that are challenging, rewarding, educational, and safe.

What we are looking for?

We can participate in after school, weekend, single day, multi-day, or reoccurring projects. Our youth want to make a tangible impact with their time; thus, projects which directly benefit clients and/or have client interaction are preferred.

We want our youth to be aware of community issues and want to show them how they can make a difference through meaningful projects paired with service learning. We would like our projects to address community needs by aligning our efforts strategically.

We will do our best to provide you with the requested amount of volunteers, but teens are free to sign up at will, therefore, a certain number of volunteers cannot be guaranteed.*
